

## No Knock List

The No Knock List was created to allow homeowners to 'opt out' of door-to-door solicitation and sales.

When you receive the sticker in the mail, please display near your front door.

**Municipal Code No. 5.04 prohibits solicitors from knocking on your door if**

- Your address is registered for the 'No Knock' list
- You display a Town of Castle Rock 'No Knock' sticker
- You have posted a 'No Soliciting' sign

Please note that this Ordinance does not prohibit the practice of hanging door hangers or fliers, it only prohibits solicitors from attempting to make contact with residents by knocking on your door. View a complete listing of [registered solicitors](#).

Any issues with a solicitor not following the guidelines of this Ordinance may be reported to the Castle Rock Police at 303-663-6100. Please contact the police while the solicitor is still in your neighborhood if possible.

**Please have the following information collected to pass along to the Police dispatcher if possible.**

- Individual or business name from solicitor badge
- Badge number
- Type of vehicle driven
- License plate number

#### **Solicitor definition**

A Solicitor is any person attempting to make contact with the purpose of selling goods or services at the point of contact, whether or not the goods or services are actually delivered at the time of sale. Solicitors are required to

- Register with the Town
- Have a valid business or contractors license
- Pass a background check
- Display a Town issued ID badge
- Comply with the 'No Knock' regulations

#### **Canvasser definition**

Canvassers are making contact for non-commercial purposes. They are not required to register with the Town or held accountable to the requirements of the 'No Knock' ordinance. Non profit organizations such as the Girl or Boy Scouts and school fundraising drives are examples of canvassers. Canvasser activities advocate civic, religious, charitable or political causes and are exempt from this ordinance.
